A Sizeable Village Mansion with a 672sqm Build Size

Here we have an exceptionally spacious villa for sale in the traditional Spanish residential area of Los Palacios – Formentera Del Segura, Costa Blanca South. The property occupies a corner plot of some 547sqm and offers 3 floors of endless accommodation. The property was designed and built by the current owners (2004) who have created a magnificent family abode packed with character. There are 3 floors of accommodation – all connected via a decorative internal staircase. On the main floor you have: a large eat-in ...
