

Benimar Villa with Private Pool

Benimar

CM7119

This modified "Alhambra" style property benefits from a good sized wrap around covered terrace offering plenty of choice for lounging and taking it easy. On entering the house you walk into a large lounge/dining room with open fire place. The master bedroom with en suite and the further two double bedrooms and family bathroom are accessed from the dining room end. Unusually for this model the owners specified a separate kitchen which is ample for daily living with plenty of storage and worktop space. The property wants ...
